CDC CARLOW DENTAL CENTRE CLINIC

Orthodontic payment terms:

Please be advised that a fixed **booking deposit** fee of €200 will be required within 72 hours of booking braces / orthodontic appliance fitting appointment to avoid release. This booking deposit fee is taken off your appliance deposit fee.

We offer 2 payment options:

1. **Upfront payment:**

   Patients who make an upfront payment for the full orthodontic treatment are presented with a 5% courtesy discount. Payments can be made by laser and credit cards. Please ask one of our reception staff members should you require any further help regarding this form of payment.

2. **Interest-free instalment plans:**

- We offer interest-free instalment plans to help you with the cost of the treatment. An initial appliance deposit payment is required at the time of booking so orthodontic treatment can commence.
- Guidelines for **appliance deposit** payments:
  - Damon Metal braces: €700 for dual-arch treatments,
  - Damon Clear braces: €1,200 for dual-arch treatments,
  - Removable appliances: €300 for appliance and €700 or €1,200 for braces (depending on type of braces) for dual-arch treatments,
  - Damon Metal braces with plate expander (with or without face mask): €950 for dual-arch treatments,
  - Damon Clear braces with plate expander (with or without face mask): €1,450 for dual-arch treatments,
  - Partial Damon Metal braces: €400 on all treatments,
  - Partial Damon Clear braces: €600 on all treatments,
  - Aligner treatments: €1,000 on all treatments.
- The remainder of the balance is payable by instalments, at approximately €150 per month. This payment plan ensures that the balance on the treatment is spread out evenly.

Please be advised that whichever option you choose, orthodontic treatment will require to be paid in full before the braces are removed.

We are looking forward to welcome you / your child at our Clinic; please do not hesitate to contact us if you have any questions in the meantime.
